MELTING AND REFINING DEPARTMENT,

Philadelphia, 10<sup>th</sup> March, 1883.

Hon. A. Loudon Snowden

Superintendent.

Sir

I gave notice this morning to Mr. Boyd, who is charged with the delivery of 100 = White-ware Pots, that we wish him to remove the half-tierce packages, which we do not need, and cannot use; for the practice of the Government is not to pay for packages, containing the goods we may purchase. I further informed him that, of the 46 pots received yesterday, several were broken. - He appeared to be satisfied. -

Respectfully yours
